

Visio Stencils

Thank you for downloading the HellermannTyton Patch Panel Visio® Stencils.

How to install HellermannTyton Patch Panels 2 Visio® Stencils:

- Download the stencil, saving with a .vss extension into your My Documents/My Shapes folder
- Open Microsoft Visio® document
- You should be able to see the new shapes in your Shapes window

If you can't find the new shapes, follow the next steps:

- Click the File menu
- Click Shapes
- Click Open Stencil
- Find and select the .vss file on your computer and click Open

HellermannTyton Patch Panels Visio® Stencils have a number of features that have been implemented for your convenience. The Visio® software is capable of producing a Bill of Materials (BOM) based on the design, detailing part numbers and quantities of the items required.
